

Sheridan County Fulmer Public Library presents:

## Exhibit Dates: April 1 - May 25

The *American Indian Tribal Histories Project* is a program of the Western Heritage Center that focuses on the histories and cultures of the Crow and Northern Cheyenne tribes, who live in the Yellowstone River Valley.

The mission of the *American Indian Tribal Histories Project* is to preserve and maintain American Indian tribal histories and cultures. The project allows Native Americans to tell their stories, with their voices, and share their perspectives with the world.
